

Hospice of Westchester (HOW) is so much more than you think. It is about living. Living as pain free and as comfortable as possible. Living with dignity and respect, at home surrounded by family and loved ones. For 25 years, HOW has provided skilled and compassionate end-of-life care to thousands of Westchester County residents. Each day our team of caring professionals exemplify our mission which is to strive to provide extraordinary and dignified comfort, care and compassion to individuals and families facing a serious or life-limiting illness.

Through your support of our Tree of Life, you will enable us to continue providing the greatest gift to our patients and their families: peace of mind in knowing that the services they require most during a difficult time will be available to them. We thank you for your generosity and wish you a peaceful holiday season.
